Terms & Conditions

We are only able to accept children who can be collected at 4:30pm promptly. We cannot accommodate late collections under any circumstances. We run back-to-back classes and unfortunately have lost a substantial amount of money and customer confidence due to having to cancel subsequent classes because of late collections at St Paul's. In the event of a late collection, we can no longer accept the child into the class effective immediately and we do not offer refunds, credits or transfers in this or in any circumstance.

In the event of disruptive behaviour, we will provide one written warning and following that if the behaviour were to continue then we can no longer accept the child into the class from the following week and we do not provide refunds, credits or transfers in this or in any circumstance.

Please only sign your child up to this class if they enjoy dancing and want to participate. Any child not participating will not be able to continue for the remainder of the term and we do not provide refunds, credits or transfers in this or in any circumstance.
